

These classes are for dancers age 9 and up who love to dance. Experience is required.

CLASSES INCLUDE: ★ Ballet Technique; Level I-VII ★ Tap Technique; Level I-VII ★ Jazz Technique; Level I-VII

Advancement is based on correct placement, skill mastery, and instructor recommendation-not by age-which means all classes have a variety of age levels.

Students spend an average of two years at each level before mastering the skills to advance. Students receive annual skills tests. Ballet students take an additional vocabulary test.
