Portrait Selection Plan

"Combination" packages are the best value, but you can build your own package by using Selections D-J. Bonuses may be added if you first purchase a package A-J.

You can order from as many of your poses as you wish. However, all portraits within each "Combination" and/or "Selection" will be printed from the same pose.

A Session Fee and Order Deposit is due when you're photographed.

Each Session is \$10.00 per outfit and includes 4 different poses to pick from. You can be photographed in as many outfits as you like, just be sure to schedule a session for each one.

The Order Deposit is an additional \$20.00 per session or outfit. This will be redeemed when you place your order. A few days after your session, you will get an email with a link to your online proofs, along with instructions for redeeming your deposit.

FREE Order Bonus! All orders over \$199, get a FREE WebShare file, of each orderd pose, that can be legally used on facebook. **FREE Order Bonus!**
