

2026-2027 School Year Program Guide

Confidence Starts Here!

WELCOME TO OUR 29TH SEASON

We're so glad you're here!

For nearly three decades, we've believed in developing excellence in **DANCE + LIFE**—a philosophy rooted in our **More Than Just Great Dancing!®** values. After 29 years of watching students walk through our doors, we've learned something simple but powerful: **confidence starts here.**

Dance isn't just movement, it's a pathway to connection, confidence, and community. It offers what social scientists call a "third place": a safe, supportive space beyond home and school where children find love, purpose, growth, encouragement, and belonging. Confidence doesn't arrive all at once, it's built one class, one combination, one brave moment at a time.

The benefits reach far beyond the studio:

- **Physically** it builds strength, flexibility, stamina, and coordination.
- **Emotionally** it offers expression, stress relief, and creativity.
- **Socially** it fosters teamwork, communication, and lifelong friendships.
- **Academically** it supports discipline, focus, and time management.
- **Personally** it grows self-esteem, leadership, and perseverance.

At MDU, we're proud to create a space where students thrive, not just as dancers, but as confident, capable young people.

That's been true for 29 years, and it's the heartbeat of everything we do!

Siblings receive a 10% discount on the smaller tuition for regular school-year classes. Sibling discounts do not apply to summer classes, special events, guest artists, Performing Groups, Pre Pro Ballet, private lessons, or membership fees.

CHILDREN'S & GRADED PROGRAMMING

Age-Based Program (Ages 2-8):

Classes are grouped by the dancer's age, ideal for building social connection and developmental alignment with peers.

Skill-Based Program (Ages 8-18):

Classes are grouped by ability and experience, allowing dancers to progress at their own pace and be challenged appropriately. Once dancers enter Level 1, they are skills tested and move up levels based on teacher recommendation.

CLASSES

MDU reserves the right to reschedule, combine, or substitute classes. MDU also reserves the right to deliver class content via an online system if classes cannot be conducted live for any reason including, but not limited to, weather, teacher absence, or governmental advisory.

TUITION

- Tuition is an annual fee divided into equal monthly payments. Rates cover the full dance year, including studio breaks and holidays—they are not based on the number of classes in a given month. A full season includes a minimum of 33 lessons. Tuition may be paid monthly or annually, and August's tuition is pro-rated to half a month.
- After registering, monthly tuition must be paid by automatic EFT, debit, or credit card on the 1st day of the month.
- A 3.5% convenience fee applies to credit and debit card payments. To avoid this fee, please provide a checking account and routing number.
- Accounts not paid within 30 days are subject to an accruing 5% monthly finance charge and discontinued services until paid in full or a signed payment plan is received. Payments returned by your financial institution will incur a \$25 fee.

DRESS CODE

Proper attire and hair etiquette are required for all classes. Special class attire, including shoes and hair, is published online. All required items are available in our Willow & Grace Boutique.

PERFORMANCES

Christmas Social

We finish the first half of the school year with a fun, informal fundraising show for our Chance to Dance Foundation. Tickets are available through a ticketing service beginning December 1st. Participating Children's classes are selected and invited from each age group.

- Costume fee: \$99-\$109 per class, charged on November 15th.
