

GRADED TECHNIQUE & SPECIALTY CLASSES FOR 1ST INTERMEDIATE & LEVELS I & II

Welcome to the Graded Technique program at Misty's Dance Unlimited! Our Graded Technique teachers follow a written curriculum that is designed to take students on a journey from developing the foundational skills of dance in 4th and 5th grade; to the exploration of more styles and challenges in middle school; to the achievement of excellence in their high school years. Students in this level may also apply to be classroom helpers in the Children's Program - a great way to give back and become a role model for the younger students.
